## Registration Fee Table

**As Amended by the Final Rule of January 9, 2003**

The current registration fees were established in a Final Rule published in the Federal Register on January 9, 2003. This rule established one set of fees for registration years 2003-2004 through 2005-2006, and a second set of fees for 2006-2007 and following. The previously established fees for registration years between 1992-1993 and 2002-2003 were not altered.

One, two, or three year periods of registration are permitted for years beginning July 1, 2000, and later. The fees for all possible registration periods and business types are listed in this table. All fees include the appropriate processing fee.

If you are a not-for-profit organization registering for 2001-2004, 2002-2004 or 2002-2005, you must pay the fee in the column titled "Small Business/Non-Profit" if you meet the SBA size standard for a small business, and the fee in the column titled "Not-Small Business/Non-Profit" if you do not meet that standard.
